

# Benefits Enrollment Service

Want Help Understanding Your Employee Benefits and Making Benefit Selections?

As a benefits-eligible employee, you must complete your benefits enrollment/elections during the open enrollment period held for a limited time each year.

Use the LINK or scan the QR code to schedule a telephone call with one of our benefits counselors.

The BCG Enrollment Services Team is trained to work one-on-one with you to help you understand and select the benefits that are right for you and your family.

- We explain the benefits offered
- Help in making your decisions
- Enrollment assistance
- Spanish bilingual assistance
- Flexible times
- Telephone enrollment

If you are interested in family coverage, please have Social Security numbers and/or birthdates available for dependents you may wish to cover. If you can't provide dependent information, you will be re-scheduled for another appointment.

Schedule a half-hour  
session today!

Please select a time and date that works for you, and we will call you at that time.
